PROFESSIONAL SUMMARY

High-performing Mid-Market SaaS Account Executive with a consistent record closing \$100K–\$500K+ ACV multi-year agreements, with a clear upward trajectory into Enterprise. Ranked #1 in Closed-Won ARR and New-Logo Wins (Rookie of the Year, 2025). Maintains a 30% overall win rate and a 60% head-to-head win rate against primary competitors, driven by a consultative discovery methodology that eliminates trials and compresses deal cycles. MEDDPICC Academy Certified; trained in Challenger Sale, Sandler, and John Barrows (JB Sales). Already navigating 6–10 stakeholder buying committees (spanning C-Suite, InfoSec, Procurement, and Legal) in complex AI SaaS and IoT platform sales, with deal complexity and quota scale that mirrors true enterprise motion.

PERFORMANCE HIGHLIGHTS

- Rookie of the Year (2025): Ranked #1 in Closed-Won ARR and #1 in New-Logo Wins among all new hires at Netradyne, outperforming tenured Mid-Market AEs within first 6 months.
- Built \$5.2M qualified pipeline (3x–5x coverage) within first year against a \$920K quota; ranked Top 2 in pipeline generation division-wide.
- 30% overall win rate / 60% head-to-head win rate vs. primary competitors, powered by trial-free selling: 4 of 16 net-new deals closed without a pilot, the most non-trial wins in the org.
- 103% annual quota attainment (FY2023, \$902K quota) at Samsara; drove 30% additional revenue via land-and-expand within first 12 months of customer acquisition.
- Ranked #2 statewide in Business Sales (Georgia, 2022) at Verizon; exceeded targets by 152% in Q3 2022 and 138% in Q1 2022.
- Delivered \$490K+ net-new ACV in first 6 months at Samsara through competitive takeaways and strategic account expansion.

PROFESSIONAL EXPERIENCE

Netradyne: AI-Powered Fleet Safety SaaS | *January 2025 – Present*

Enterprise Account Executive | Mid-Enterprise

Annual Quota: \$920K | Avg. ACV: \$80K–\$100K

- Captured Rookie of the Year (2025), ranked #1 in Closed-Won ARR and #1 in New-Logo Wins among all 2025 hires, achieving #2 in total ARR attainment across the Mid-Market organization by executing a disciplined MEDDPICC qualification process from day one.
- Engineered \$5.2M in qualified pipeline within first year, maintaining 3x–5x quota coverage against a \$920K target and ranking Top 2 division-wide, by deploying a high-velocity outbound motion targeting fleet-dependent enterprises with quantifiable safety ROI.
- Achieved a 60% head-to-head win rate against primary competitors and a 30% overall win rate by eliminating the trial/pilot phase entirely: closed 4 of 16 net-new deals without a POC, the most non-trial wins in the organization, driven by a rigorous consultative discovery process.
- Closed a \$100K+ ACV competitive displacement within first 90 days, displacing an incumbent legacy provider by orchestrating deep workflow analysis, InfoSec review navigation, and CFO-level ROI storytelling aligned to MEDDPICC.
- Orchestrated multi-threaded enterprise sales cycles engaging 6–10 stakeholder buying committees (spanning CIO, COO, CFO, InfoSec, Legal, and Procurement) to align economic buyers and drive multi-year SaaS agreements up to \$500K+ TCV.
- Partnered cross-functionally with Solutions Engineering to lead technical validation, platform integration workshops, and custom ROI modeling, compressing evaluation timelines and increasing technical win rates.

Samsara (NYSE: IOT): Connected Operations Cloud | January 2023 – January 2025

Senior Account Executive | Mid-Market

Annual Quota: \$902K | 103% Attainment | Avg. ACV: \$80K–\$120K | Sales Cycle: 4–6 Months

- Outperformed 103% of a \$902K annual quota for FY2023, exceeding Q1 (103%) and Q2 (101%) quarterly targets, through disciplined Challenger Sale execution, rigorous MEDDPICC discovery, and 3x–5x pipeline coverage maintained across a 130+ account Eastern U.S. territory.
- Captured 'Deal of the Quarter' in FY25 Q1, a \$118K ACV competitive displacement, achieved by engineering a deep operational workflow analysis that exposed critical gaps in a legacy competitor's platform and aligned the COO and CFO on a quantified ROI case.
- Generated \$490K+ in net-new ACV within the first 6 months of FY2023 by penetrating high-growth accounts (\$10M+ ARR) through competitive takeaways and land-and-expand strategies, ranking in the top tier of the mid-market team.
- Drove 30% additional revenue from existing accounts within the first 12 months post-close through structured expansion plays, identifying upsell triggers during QBRs and aligning new use cases to evolving customer operational needs.
- Eliminated pilot dependency through a consultative discovery approach: closed the majority of net-new deals without a formal trial, reducing sales cycle drag and accelerating revenue recognition.
- Influenced C-Suite alignment, engaging CIO, COO, and CFO stakeholders, to drive SaaS platform adoption and accelerate multi-departmental evaluation cycles on complex, multi-year agreements.

Verizon Wireless | July 2017 – January 2023

Senior Account Manager | Business Market Sales

Book of Business: \$10M–\$20M ARR | Sales Cycle: 60–90 Days

- Outperformed statewide peers, ranking #2 on the Georgia State Leaderboard (2022) for total business sales, exceeding revenue and activation targets by 152% in Q3 2022 and 138% in Q1 2022 through aggressive new-logo acquisition and retention.
- Managed and grew a \$10M–\$20M ARR book of business, focusing on retention, competitive defense, and strategic expansion of enterprise accounts through tailored 5G, IoT, and mobile workforce solutions.
- Advised C-suite stakeholders (CEOs, CIOs, COOs) on enterprise technology roadmaps, positioning Verizon as a strategic infrastructure partner rather than a commodity vendor, resulting in multi-year contract renewals.
- Spearheaded cross-functional collaboration between technical, operations, and sales teams to deliver customized solutions, reducing implementation timelines and increasing client satisfaction scores.
- Progressively promoted across B2B Account Manager and Solutions Leadership roles (2017–2022), consistently exceeding quota through new business acquisition and account expansion across SMB and mid-market segments.

Frito-Lay, Inc. | January 2014 – June 2017

Account Manager | Team Lead

- Increased territory revenue by 25–30% within first 6 months, generating \$35K–\$40K in weekly revenue (~\$1.8M–\$2.0M annualized) through disciplined route optimization and strategic account penetration.
- Earned Ring of Honor recognition for sustained sales performance, consistently ranking among top territory managers.
- Led onboarding and safety training programs for newly hired team members, reducing ramp time and improving first-90-day productivity.
