Enterprise SaaS Account Executive with over six years of experience driving enterprise and mid-market sales across complex, operationally intensive industries, managing multi-stakeholder deals spanning C-suite and VP-level decision makers. Key achievements include:

- Self-sourced 55%+ of pipeline through targeted outbound, ranking Top 5 regionally in pipeline generation.
- Two-time President's Club recipient for finishing top 10% of over 90 sales reps across the Enterprise Org.
- Averaged 118% quota attainment over two years, closing multi-product ACV deals between \$95K–\$435K.

WORK EXPERIENCE

Samsara *February 2023 - Current*

Senior Account Executive - Enterprise (\$1.5M Quota / 6-9 Month Sales Cycle)

- Drove full-cycle enterprise sales of a multi-product IoT and cloud platform, averaging 118% quota attainment against a \$1.5M annual quota across FY24 and FY25.
- Partnered cross-functionally with Sales Engineering and Marketing to package ROI narratives, proof points, and mutual action plans helping accelerate complex deal evaluations and supporting shorter cycles.
- Built new vertical playbooks that lifted average deal size from \$95K to \$130K+ through multi-product attach and executive-aligned business cases.
- Generated \$6–7M in qualified pipeline annually through targeted outbound and executive-led discovery, with ~55% self-sourced.
- Reframed sales conversations around executive risk reduction, leading to a \$435K competitive displacement.
- Compressed enterprise cycles ~15% on multi-stakeholder deals through earlier executive alignment, sharper qualification, and standardized mutual action plans.
- Two-time President's Club winner (FY24, FY25), one of fewer than 12 reps to qualify across the Enterprise org.

Applied Systems *June 2021 - February 2023*

Account Executive - Mid Market (\$800K Quota / 4-6 Month Sales Cycle)

- Finished 105% against an \$800K annual quota, ranking Top 3 on a team of 8 in a year where ~50% of the team hit number.
- Closed 18 net-new AMS replacement deals by leading full-cycle discovery, stakeholder mapping, and ROI business cases across agency principals and ops leaders.
- Built and maintained 3.5× pipeline coverage through targeted prospecting into agencies running legacy AMS platforms and active renewal/contract triggers.

EZLynx *November 2019 - June 2021*

Account Executive - SMB (\$350K Quota / 60-90 Day Sales Cycle)

- Spearheaded competitive evaluations against legacy AMS platforms, conducting multi-location workflow analysis and constructing full-suite digital modernization proposals, closing a \$42K deal — the largest full-suite AMS replacement on the SMB team that year.
- Cultivated multi-threaded relationships across agency ownership, accounting, and operations stakeholders, navigating complex buying committees to secure a \$28K deal.
- Managed 30–60 day consultative sales cycles with independent agency principals, addressing operational workflows, data migration, and integration considerations to expand customer vision and drive deal velocity.

EZLynx *November 2017 - November 2019*

Business Development Representative

- Generated \$400K+ in qualified pipeline within a single quarter by pinpointing agencies assessing outdated AMS replacements and customizing messaging based on modernization needs.
- Improved connect-to-meeting conversion by ~25% over a two-quarter baseline by specializing in agencies evaluating legacy AMS replacements and refining talk tracks by persona, trigger, and competitive context.
- Spearheaded an initiative to improve lead quality by implementing a lead scoring framework, driving a ~20% lift in lead-to-opportunity conversion across the BDR team.
- Cultivated relationships with key decision-makers by attending industry events and providing ongoing support, contributing to qualified opportunities averaging ~\$30K in deal size.
